

“Product Compliance in Europe – CE Marking Requirements”

What is the seminar about?

CE Marking is an inevitable requirement for doing business in Europe if you sell products in the European Union or EEC countries. This seminar will give you a clear overview of the current CE Marking requirements and how the European system differs from procedures in North America.

Who should attend?

The seminar is aimed at those who are involved in fields such as Product Compliance, Regulatory Affairs and Environmental/Occupational Health & Safety. CE Marking requirements apply to Medical Devices, Consumer Products, Children’s Toys, IT Equipment, Radio and Telecommunications Terminal Equipment and Industrial Equipment.

Date & time: February 4, 2011 at 8:45am until 2pm

Where: Canadian German Chamber of Industry and Commerce Inc.
480 University Avenue, Suite 1500 (University & Dundas)
